National News

Avison Young hired commercial real estate investment sales specialist Michael Longi in Las Vegas. He brings 17 years of CRE investment sales experience to Avison Young, most recently as CEO of Realty Specialists, which he founded in 2002.

He becomes a Principal of Avison Young with a mandate to help grow the firm’s investment land and development land sales service lines in southern Nevada. He will be based in the company’s Las Vegas office, and also serve on the company’s U.S. capital markets team.

Avison Young’s David Jewkes says, “Michael brings a tireless and collaborative energy to our Las Vegas operation that will help our Avison Young brokerage presence and transaction visibility in the market move to the next level. He has a knack for identifying buyers of strategic land parcels and finding owners who are willing to divest.”
